

FRIMHURST FAMILY HOUSE

**60th**

**ANNIVERSARY EVENT**

CELEBRATING 60 YEARS AS  
"A PLACE OF FREEDOM"

SATURDAY 8th JULY 2017

11AM - 4PM

**ATD**  
FOURTH WORLD

In 1957, the remarkable Grace Goodman bought Frimhurst and began welcoming families struggling under the weight of poverty and exclusion. Grace's vision was to create "a place of freedom", a sanctuary where families could rebuild their lives in dignity.

After a chance meeting in 1962 between Grace and ATD Fourth World's founder Joseph Wresinski, Frimhurst became the heart of ATD Fourth World's work in the UK.

Today, Frimhurst Family House remains a beacon of hope for many families. And through partner organisations such as Frimhurst Enterprises and Mustard Seed Autism Trust, Frimhurst is a valued resource for the local community.

We would love you to come and join in the celebrations and discover the courage, strength and inspiration of those behind the story of Frimhurst.

The day will include creative workshops, exhibitions, house tours, talks, music, fun, and plenty of cake!

We look forward to seeing you there. Please let us know if you're able to make it.
